-8,80	December/December
-9,27	March/March

Evening markets: cocoa leads rally in soft commodities, while - most - grains struggle

It was a tale of two markets in agricultural commodities, with softs gaining, while grains found movement more difficult amid jitters ahead of a big day for data.

The real bounced 0.5% against the dollar too, boosting the value of assets over which Brazil has a big influence, and arabica coffee futures for December gained too, by 0.8% to 125.75 cents a pound.
