### Coffee Market Report

The latest Commitment of Traders report from the New York Arabica coffee market will not be published during the US Federal Government partial shutdown. The advisory issued by the US Commodity Futures Trading Commission has noted that it will resume publication of these reports when the Federal Government operations return to normal.

The latest Commitment of Traders report from the London Robusta coffee market has seen the Speculative Managed Money sector of this market increase their net short sold position by 171 Lots during the week of trade leading up to Monday, 31st December; to register a short-sold position of 25,784 Lots on the day. This net short sold position which is the equivalent of 4,297,333 bags, has most likely been increased, following the period of mixed trade that has since followed.

The March to March contracts arbitrage between the London and New York markets widened on Friday, to register this at 31.52 usc/Lb., while this equates to 31.02% price discount for the London Robusta coffee market.

The Certified washed Arabica coffee stocks held against the New York exchange registered a decrease by 5,482 bags on Friday to register these stocks at 2,451,431 bags. There was an increase of 4,032 bags in the number of bags pending grading for the exchange, to register these pending grading stocks at 59,420 bags.
